HEATING OIL ASSISTANCE APPLICATION

The Heating Oil Assistance program aims to aid low-income households to help cover the costs of heating oil during the winter months. Eligible residents may apply once annually to receive 150 gallons of heating oil. This assistance is available to Hamden residents that meet program guidelines.

DOCUMENT CHECKLIST

Prior to submitting the application for assistance, please make sure you have included the appropriate documents as indicated below. **Only completed applications will be accepted.**

- ☐ Complete and signed application.
- ☐ Proof of Hamden Residency.
- ☐ Copy of most recent federal tax return for all household wage earners.
- ☐ Alternative documentation is required to show income eligibility if you did not file a tax return in the past two years such as a Social Security Award Letter.
- ☐ Copy of lease for residence (if renter occupied).

I. General Program Guidelines

The Heating Oil Assistance Program offers support to Hamden residents experiencing financial insecurity and who are unable to pay the cost of heating oil to heat their residence. Eligible residents may apply once per calendar year to receive 150 gallons of heating oil. Heating oil assistance is available to Hamden residents that meet program guidelines.

II. General Eligibility

1. Applicant cannot exceed income limits as established by HUD. Total household income cannot exceed 80% of the Area Median Income (AMI) as established by HUD.
2. No corporate or commercial entity is eligible.
3. Homeowners that occupy their dwelling unit, and renters with a signed lease are eligible to apply.
4. Gross income shall be verified at time of application. The primary determinant of such income is the most recent federal income tax return. However, other documentation may be required if a tax return for the previous filing year is not available.
5. The applicant shall provide such documentation or verification of all items requested for processing the application. The receipt of a signed application authorizes the Town to verify any information provided.
6. The applicant must be up to date with any applicable property and/or car taxes.

CERTIFICATION OF OPERATING SMOKE DETECTORS

The Fire Administration Authorization Act of 1992 (“the Act”) prohibits the use of housing assistance, including Community Development Block Grant Program funding, in connection with all types of dwelling units unless various fire protection and safety standards are met.

The Act mandates that housing assistance cannot be “used in connection with” any dwelling unit (including all single and multifamily properties) unless the unit is protected by a hard wired or battery-operated smoke detector installed in accordance with NFPA 74.

As part of the application process, please certify the presence of operating smoke detectors.

I, _____, the undersigned, do hereby certify as the owner of (address) _____ that operating hard wired and/or battery smoke detector(s) are present in the dwelling unit(s) as required by the applicable codes.
