

DEC
4

On Sunday, December 4 from 1-3 the Friends of Brooksvale Park invite you to Winter on the Farm. There will be games and craft activities for the kids near the barnyard and some hot cocoa too!

Stop by the Sugar Shack which will be transformed into a Smithy. The Blacksmith's craft is as old as time and watching how something as simple as a coat hook is made is just as fascinating as iron gates gracing many a mansion.

The animals will be wearing their winter coats so don't forget to dress warm as well. All the activities will be held outside so you may need boots too. If for some reason a wicked storm comes along to dampen the fun, you can call the park office at 203-287-2669 and a recorded message will tell you what's up. We'll also update the Friends of Brooksvale Facebook page as swiftly as possible.

Brooksvale Park is located at 524 Brooksvale Avenue just one mile off Whitney Avenue (Route 10) in northern Hamden.

Looking forward to meeting you on the 4th!
